Dear Mr. Lawrence:

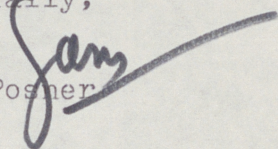

I'm sorry you must terminate our representation agreement. As you know, our contract runs through November 11, 1972 and as of that date we will be glad to turn over all material to your new Representative. If you should decide to continue with us, on the West Coast, please let us know.

We are still waiting for the presentation for Guild Wine. It is about time we went back with the full presentation, as outlined in the Spring.

Many thanks for your cooperation.

Cordially,

Sam Posner
